MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 5151, A Bill to Amend the Civil Service Retirement Act so as to Provide for the Inclusion of Certain Periods of Service Which Were not Covered by a Federal Appointment

1. This bill proposes credit under the Civil Service Retirement system for periods of service rendered as an employee of a State or an instrumentality thereof provided the service were rendered under certain specified conditions relating such work to a Federal program. We would generally favor such liberalization of the retirement program.
2. The administrative complications in verifying such service could be difficult. We would appreciate being advised of favorable considerations of this proposal and would be particularly interested in the requirements for verifying creditable service.
